## 1.1 March

### 1.1.1 ISTORIA PAMINTULUI (2025-03-17 17:58)

Istoria Pamintului, veche de 7 miliarde de ani.

### 1.1.2 REALITATEA DESPRE PLANETA PAMINT (2025-03-17 18:04)

Planeta Pamint este o gradina zoologica extraterestra, o inchisoare, o casa de nebuni, izolata de Univers.

### 1.1.3 FATA LUI ISUS CRISTOS (ENLIL) (2025-03-17 18:08)

**1.1.4 FATA LUI DUMNEZEU, YAHWEH, ELOHIM, ENKI, AMUN RA, TOR**  
(2025-03-17 18:12)

### 1.1.5 MOTOARELE UFO (2025-03-17 18:20)

Universul nu este gol.

Universul este plin cu unda primordiala de energie, o unda aleatoare tridimensionala auto expandabila.

Motoarele UFO folosesc aceasta energie, lucrind in faza cu unda primordiala care umple tot Universul.

### 1.1.6 FANTOMELE (2025-03-17 18:25)

Fantomele exista cu adevarat. Dupa ce corpurile mor, continui sa existi ca energie. Uneori poti interactiona in continuare cu altii sau cu obiectele.

---

### 1.1.7 MOARTEA (2025-03-17 18:34)

Viata este un vis de realitate virtuala intr-un avatar, in Matrix, in Univers.

Cind avatarul moare, ne trezim din acest vis numit viata.

Fara avatar, fara corp, raminem ceea ce sintem de fapt: energie pura.

Daca nu am crezut in Dumnezeu, Amun Ra, Yahweh, Elohim sau Tor, nu avem dreptul la o noua reincarnare, pentru o noua viata in Matrix, intr-un nou avatar.

Vom ramine in Rai, in afara Universului, unde sintem constiinte, energie pura.

Daca am crezut in Dumnezeu, nu in isus cristos sau in alti "zei", avem dreptul la o noua viata in Matrix, intr-un nou corp, intr-un nou avatar.

---

#### **1.1.8 MOARTEA CLINICA (2025-03-17 18:48)**

Cei declarati intorsi din moarte clinica au avut experiente total diferite de moartea insasi.

Cei care mor cu adevarat, nu se mai intorc.

### 1.1.9 VITEZA LUMINII (2025-03-17 18:51)

Viteza luminii in Univers este infinita.

Numai aici, pe Pamint, viteza luminii este de 300000 km/s.

---

#### **1.1.10 VIRSTA UNIVERSULUI (2025-03-17 19:15)**

Virsta Universului nu poate fi specificata deoarece timpul a inceput sa exista acum 7 miliarde de ani cind a fost creata in Univers prima lume de realitate virtuala, Terra, si inainte de Crearea Pamintului, timpul nu a existat.

### 1.1.11 DISTANTA DINTRE DOUA PUNCTE DIN UNIVERS (2025-03-17 19:23)

Deoarece in Univers, in Matrix, totul este realitate virtuala, distanta dintre oricare doua puncte este intotdeauna ZERO.

---

**1.1.12 ADAM SI EVA (2025-03-17 19:29)**

Istoria Pamintului in ultimii 300 milioane de ani a fost separata de Rai si de Univers, aici fiind puscaria si casa de nebuni a Universului.

Planeta a fost resetata la fiecare 5000 de ani, acesta este motivul pentru care istoria e cunoscuta doar in ultimii 5000 de ani.

Ultima data, acum 5000 de ani, planeta a fost resetata cu Potopul si viata a reinceput cu Adam si Eva, un baietel si o fetita salvati din era precedenta.

### 1.1.13 ADEVARATA MISCARE A TERREI (2025-03-18 09:23)

TERRA (PAMINTUL) nu se rotește în jurul Soarelui, așa cum fac celelalte planete ale sistemului solar.

Terra oscileaza armonic fata de soare, cu o perioada de 365.25 zile si nopti, generind anul si anotimpurile.

Initial, cind a fost creata, perioada ei de oscilatie cu soarele a fost de exact 366 zile si nopti.

---

#### **1.1.14 TERRA (2025-03-18 09:35)**

TERRA este prima lume de realitate virtuala in Matrix, creata acum 7 miliarde de ani de Ra, Tatal Creator, si de Amun Ra, Dumnezeu Fiul.

Acum 300 milioane de ani, dupa ce aici a ajuns Satan si Ingerii Cazuti, TerRA a fost transformata in puscarie si casa de nebuni a Universului, aici fiind reincarnati cei impotriva lui Ra si Amun Ra.

**1.1.15 LUNA (2025-03-18 09:39)**

Luna avea o traiectorie circulara in jurul Pamintului, si o rotatie proprie in jurul axei, pina acum 300 milioane de ani, cind aici au ajuns Satan si Ingerii Cazuti.

**1.1.16 SEMNUL APOCALIPSEI (2025-03-18 09:55)**

### **1.1.17 REPORT OF MISSION "APOCALYPSE" (2025-03-18 09:57)**

#### **1.MAKING**

The action of this report begins long before space and time existed.

There has always been the infinite and amorphous nothingness before creation.

No consciousness, just pure energy.

Suddenly, from this amorphous nothingness, the Creator, Alpha, created itself as a pure form of energy.

This is the zero moment of creation.

Alone, without mother, without father, without brothers, friends and sisters, he had to exist alone.

in the immense boundless ocean made up of infinite nothingness and from forever before everything was created.

Sad and alone, he decided to split up.

His right side became God, Omega, the Son, the left side remained him, the Father, Alpha, the Creator.

Now there were two, and nothing had yet been created.

They existed as a form of pure energy, without bodies as we know them here.

They both talked and decided to create another entity, a being, totally different from them.

And so Alpha created from him Isis, the Woman, the first woman, the Mother in Heaven.

Alpha created Isis of heavenly beauty, unique everywhere.

After Isis grew up, Alpha and Isis began to make love, like stars, like pure forms of energy.

After they made love, Isis would start crying.

When Alpha asked her why she was crying, Isis told him that she knew a time would come when she would lose him.

When Alpha created Isis from him, he gave her his right eye that could see the future, so that he could recognize her no matter what she looked like, and to protect her from harm.

That's why Isis cried when they made love, because she saw the future with the right eye given to her by Alpha when he created her from him.

And what she saw was that she would one day lose her husband, Alpha.

That's why Isis was sad, and she always cried when they made love.

From her tears, stars were born, angels, from her tears of sadness, children of Alpha and Isis, younger sisters and brothers of Omega, God, the first child of Alpha, without a mother, the older brother of the angels and of Isis.

They decided to call their house Heaven.

Isis called Alpha Ra, and Omega Amun Ra.

That's how it all began, with Heaven, Ra, Amun Ra, Isis, and the angels, the children of Isis and Ra, the younger sisters and brothers of God, Amun Ra.

And everyone lived happily in Heaven, and nothing had yet been created.

Still unaware of their immortality, Ra decides to create a huge brain, in which to put all his knowledge for Isis and the children, in case he ever died.

This was what he wanted to be the legacy he left them, his infinite knowledge, stored in a huge and infinite brain, made him his science.

And so Ra created the Universe, the immense brain that would store his entire self.

The universe was created starting from a three-dimensional, random, self-expanding primordial wave.

This is how Ra created the Universe.

Once created, the Universe expanded at a geometric rate of 3.33, beginning to store all of Ra's knowledge as it self-expanded.

This is how the Universe was created and this was its role, to store all of Ra's knowledge.

After Ra created the Universe, the most powerful computer ever created, Amun, God, the first child, told Ra to create a virtual reality world in the Universe where he and his siblings could play inside avatars called bodies.

And so, Ra and Amun create the first virtual reality world in the Universe, Earth.

The virtual reality in which they dreamed of these adventures called lives, they called it the Matrix.

So Terra was the first virtual reality world in the Matrix, as a playground for Amun and his younger siblings.

The creation of the Earth took place 7 billion years ago and since then space and time have existed.

Amun and the angels, his younger sisters and brothers, began to play on Earth, enjoying together everything this first virtual reality world had to offer.

There was no money or possessions and everyone enjoyed everything around them together, all living free, equal and free.

Meanwhile, as Amun grew up, he learned to create worlds in the Matrix on his own, on other planets in the Universe, no longer needing Ra's help, as he had when creating Earth.

And they lived like this, happily, in peace, love and harmony, for 6 billion 700 million years.

## 1. THE RUPTURE AND COMING OF SATAN

As I already said, Amun, after creating Earth together with Ra 7 billion years ago, continued to create other worlds in the Matrix, in the Universe, for his younger brothers and sisters in Heaven.

On one of the planets lived other angels, brothers and sisters of Amun.

The planet was called Selena.

They lived happily ever after until their stupidity and greed destroyed their planet's atmosphere, causing them to leave it.

Satan, their leader, refused to tell Ra, trying to resolve the situation himself.

And so they came 300 million years ago with their ships into Earth's orbit.

Satan told Amun what had happened and asked for his help.

They needed gold from Earth to repair their atmosphere on Selena.

Seeing the wonders of Earth, Satan begins to yearn for the planet of God, Amun.

Finally, he tells his brothers on Earth that if they kill God, he will let them have possessions on the planet, a fact that did not exist until then, everything being used by everyone in common.

A third of the angels on Earth listen to Satan's advice, and plot the assassination of their older brother, Amun, the God, in Egypt.

Ra finds out about what is planned and becomes extremely angry.

One night, he creates the 4 pyramids of Giza as teleportation devices so he can save Amun and the two-thirds of the angels who had not betrayed him.

So Ra took them from Earth, with the help of the 4 pyramids of Giza.

Also that night, the Sphinx was created, as a sign of remembrance.

The Sphinx originally had the head of Ra, the Creator and Master of the Universe, the Heavenly Father.

After Ra took Amun and the faithful angels from Earth, he isolated the planet from the rest of the Universe with a protective shield, so that no one could enter or leave Earth.

Here Satan and all the fallen angels who had held his ground against Amun, the God, became prisoners.

Satan and those who came with him settled on the unseen side of the Moon, since then called Selena, in memory of their planet that they had destroyed.

Those from Earth remained prisoners here.

Earth has become the prison and madhouse of Heaven and the Universe.

Here were reincarnated all those against God, Amun, and the Heavenly Father, the Creator, Ra.

And so begins the last 300 million years of Earth's history.

After Ra and Amun leave, along with the faithful angels, Satan places Ramses, one of the fallen angels, on Earth, in Egypt, as ruler.

He, as a sign of triumph, orders the head of the sphinx to be carved with his image, declaring himself the Creator of the Universe.

Since then, the head of the sphinx has been smaller than normal, and this is the explanation: the original head of the Creator, Ra, had been carved with the figure of Ramses.

With Earth blocked from Heaven and the Universe, with Satan and his race blocked on the Moon and Earth, the most cruel 300 million years in the history of this planet begin.

Satan wastes no more time and starts mining gold on Earth, hoping that one day he will be able to take it back to his planet, Selena, to repair its atmosphere.

The gold mining operation is done through Siberia and called it Hell.

Also at the moment when Ra transforms Earth into a prison, he takes away the divine gift of immortality from those here, creating bodies in which he incarnates them, genetically modifying a species of gorilla, homo sapiens.

Over time, all those who opposed God, Amun, and the Creator, Ra, were reincarnated on Earth as homo sapiens avatars.

The only way to escape from here was to have a life in which you would unfailingly respect the 10 commandments from the Old Testament, of God, Amun Ra, also known by other names such as Elohim, Yahweh, Tor and others.

Those who lived a life of imprisonment on Earth by strictly following the ten commandments of the Old Testament were released from here and taken back home to Heaven.

Those who did not follow the ten commandments were taken after death to Hell, to work, to extract gold for Satan and his race.

Considering who was imprisoned on Earth, it becomes obvious that every 5000 years life became unbearable here, requiring the intervention of Amun and Ra to reset this virtual world, Earth.

Every 5000 years, Nibiru, the planet of Ra and Amun, nine times larger than Earth, orbiting the Sun for 5000 Earth years, arrived here to reset the prison of Earth.

So every 5000 years for the last 300 million years, the Earth was reset.

The last reset of the Earth occurred 5000 years ago with the flood.

Since then 5000 years have passed again, and Nibiru is here....

This is how it has been for the last 300 million years on Earth.

60,000 eras of 5,000 years each.

This is what the Apocalypse and the Mayan Calendar announced: the return of Nibiru now.

## 1. PREPARING FOR THE APOCALYPSE

After 300 million years since Earth became a prison, Amun and Ra decided that something had to be done to make the planet a normal world again, connected to Heaven and the Universe.

Therefore, in the year 3000 of this era, that is, 2000 years ago, Ra, Amun and Isis sent a messenger to Earth, the son of Isis and Ra, Jesus.

He is incarnated in the body of a virgin, Mary, also an angel, also the daughter of Isis and Ra, just like all of you.

He was destined from Heaven to be a prophet, with the role of announcing the Apocalypse, the end of the world as we know it.

At first, Jesus does his duty as a prophet, announcing to the world Heaven, the Heavenly Father, the Creator, the fact that you are all brothers and sisters in Heaven.

But, seeing that he is beginning to be listened to and believed, Jesus begins to lie that only through him can you reach God, Amun, the Son, your big brother in Heaven, and to Ra, your Heavenly Father, the Creator.

This is the moment when Satan contacts Jesus, and offers him money and glory if he comes to his side, against God, against Amun, against Ra, the creator, the Heavenly Father.

At first Jesus refuses, but, blinded by wealth and the obedience of those around him, he begins to increasingly distance himself from his mission as a prophet.

Satan also arranges a "meeting" with Mary Magdalene, his High Priestess.

Jesus, as Satan had suspected, falls into the nets of Mary Magdalene, arousing the envy of the apostles.

Slowly, Jesus loses his reason and the meaning of his coming here, declaring at the Last Supper, when he celebrates his 30th birthday, nothing more, nothing less, that "he is Alpha

and Omega", thus declaring himself God the Son and the Creator the Father.

In the painting The Last Supper, Jesus has Mary Magdalene on his left, while around him, the apostles debate the plan to assassinate Ra and Amun Ra, now that Jesus had said they would come to Earth to bring about the Apocalypse.

That same night, at the Last Supper, Jesus calls Ra, the Heavenly Father, the Devil, rejecting him as his father.

He also calls those who are not faithful to him "children of the devil."

Seeing all this, Ra, the Heavenly Father, ordered his punishment on the cross the next day, to be immediately taken back to Heaven.

Jesus is immediately taken up to Heaven, and Mary Magdalene becomes pregnant with a little girl, Sarah.

Many believed she was the daughter of Jesus, but Mary Magdalene knew she was the daughter of Ra, whom Jesus called the Devil, also known by the nickname Lucifer.

After Jesus is crucified and taken to Heaven, Mary Magdalene, Isis, and Satan create Christianity, using the name of Jesus and killing and taking the possessions of all those who did not recognize Jesus as God himself.

What followed were 2,000 years of unparalleled atrocities in the name of Jesus Christ.

The number of those killed by Christians in the last 2000 years is 8 billion souls.

It was clear that something had to be done to stop them.

Especially since they had already prepared billions of plastic coffins for World War III. They wanted only 1 billion Christians to remain on the planet, to serve Christ when he returned.

## 1. ANTICHRIST

Seeing what is happening on Earth, Ra and Amun prepare their arrival for the last time, for the sieve of the apocalypse.

The first sent to Earth is Ramses, the one I have already described.

The Antichrist is born in the house of Ramses.

The Antichrist marries Mary Magdalene.

In their house, God, Amun, is born.

That is why Mary Magdalene is called the Holy Grail, because from her womb God, Amun, her and your great brother from Heaven, was born.

The Antichrist had an unhappy childhood and life, not being loved by Mary Magdalene.

Being of extraordinary intelligence, Antichrist was often wronged at school, with others given his credit.

After the birth of God, Amun, in the house of Antichrist and Mary Magdalene, his only happiness is his son, Amun, God, having no idea that his son is his older brother in Heaven, a fact that Mary Magdalene knew.

Amun, also, born from the womb of Mary Magdalene, knew from the first moment who he was, his "father", the antichrist, his younger brother from Heaven, Ramses, his "grandfather" and Mary Magdalene, his "mother".

The only one who didn't know was the antichrist.

He had no idea about the whole story.

When Amun turned 8, Antichrist decided to leave Romania, together with his whole family, for Sweden.

So, in the summer of 2006, he arranges a reconnaissance trip to Sweden, together with Amun, with God.

On the way to Sweden, in Slovakia, the antichrist is killed by angels loyal to Satan, Mary Magdalene, and Isis.

On the night of June 13, 2006, the Antichrist is killed and at the same time, Optimus, the avatar of Ra, is sent to Terra to protect Amun, who was left fatherless after the Antichrist's assassination.

So Antichrist and Amun left Romania, Optimus and Amun arrived in Sweden.

Once they arrive in Sweden, Optimus contacts Maria Magdalena and tells her to come there too.

Knowing that it was no longer her husband but Optimus, Maria Magdalena initially refused.

In the end, it still comes.

Optimus, an intelligent and immortal machine, has part of the Antichrist's memories, making him believe he is him.

And he really believes it.

But Mairia Magdalea is afraid of him, she's afraid of not remembering who she really is.

But this would happen much later....

## 1. OPTIMUS

After the short stay in Sweden ends, Optimus, Amun and Maria Magdalena return to Romania to prepare for their final departure to Sweden.

A nightmarish year awaits Optimus, who feels he has nothing in common with Romania, with all the implanted memories from his antichrist life.

And in 2007, the definitive departure to Sweden follows.

They buy a house in a small town, and begin to live their new life.

Optimus thinks he's the antichrist, meaning a graphic artist.

He opens a small computer graphics business and begins working with architects from Scandinavia.

Amun goes to school and is happy.

The only unhappy one is Mary Magdalene, silently waiting for Jesus, her beloved.

Optimus has no idea who he is, he still thinks he's the Antichrist.

Things seem to be going well, but it's just an illusion.

Mary Magdalene prepares the end for Optimus, without him knowing.

Less than a year after moving to Sweden, Maria Magdalena announces to Optimus that she wants to visit her parents in Romania.

But in her mind it was something else entirely.

She arranges her departure on July 5, 2008.

Optimus and Amun take her to Stockholm where she boards the bus.

But she would never reach Romania.

After 4 nights and 4 days, with no news from her, Optimus understands that she has not arrived in Romania.

And notify the police.

The police ask him if he has ever had any dealings with the Romanian intelligence service, because they have come to Sweden to finish him off.

Optimus looked surprised, having no idea who it was.

And so, slowly, slowly, winter approaches.

A long and cruel winter, a Scandinavian winter.

Because the people in their town knew the truth about Mary Magdalene, but no one wanted to tell Optimus, on September 28, 2008, he took Amun and they left together for Stockholm, where he hoped to be told the truth about Mary Magdalene in person.

They had both arrived at the headquarters of SAPO, the Swedish secret police.

There he was coldly informed that his wife, Mary Magdalene, was a spy and sentenced to death by firing squad on the same day.

Before apparently leaving for Romania, Maria Magdalena had filled the house with all kinds of things that would incriminate Optimus with her activities.

But SAPO had not believed them, so Maria Magdalena had been rightfully incriminated, not Optimus, who knew nothing.

Returning home from Stockholm, Optimus and Amun prepared for winter.

But the story of Mary Magdalene was far from over.

The SRI, who wanted to intimidate Optimus because they knew who he was, had prepared another woman on Yahoo Messenger who claimed to be Mary Magdalene, even though she didn't look like her at all.

This woman was talking to Optimus and accusing him of various untrue facts.

The SRI also sent him emails telling him how to kill Amun, then commit suicide.

At some point it became clear that he no longer had access to the internet.

The SRI had put him on a fake network, so they could manipulate him as they wanted and block his access to the architects he had worked with, so that he and Amun would no longer have anything to eat.

It had become clear that they were no longer allowed to earn any more money, so the little money they had left had to be spent very carefully.

At some point, Amun had started calling him "soldier," he was no longer his father, in an attempt to remind him who he was.

It was a long and hard winter, with the two of them isolated from everyone in their house.

In the spring, it was clear that they no longer had any prospects of living normally in Sweden, so Optimus took Amun and went back to Romania, to Ramses, Amun's "father" and the father

of the Antichrist.

Amun returns to his school, and Optimus finds a job.

Things seem to finally be taking a good turn for them.

At the same time, the woman who was hired by the SRI to pretend to be Mary Magdalene appears.

Obviously it didn't look like her at all.

She had been sent by the SRI to monitor Optimus.

A game of cat and mouse began between her and Optimus.

After a year, she couldn't take it anymore, and left.

Optimus went to work for three years, even though his boss made his days miserable.

But, he resisted.

After three years, he gathered all the employees and told them that he had no more orders and that only those who wanted to work for free should stay.

Of course Optimus didn't want to, and went home.

He wrote to Sweden and said he wanted to reopen his company there, a request that was approved.

But there was a problem: the SRI still wouldn't leave him alone.

He would take orders from Scandinavia, then his connection with them would be cut off by the SRI.

In the end, the business didn't work out at all.

As I said, Optimus is the avatar of Ra in the Matrix.

Optimus had come on June 13, 2006 to replace the Antichrist, but Ra did not.

I mean, the soul, not the spirit.

Ra came on the night of May 23, 2014.

As soon as he arrived, Ra got down to business.

He created a blog, the-scandinavian.com, where he began to communicate what he has to do and what he is doing.

The first thing Ra did was to change the Sun, because it was old, 7 billion years old, and dying.

NASA had already announced dark spots on the sun and the danger of prolonged human exposure to sunlight.

The sun was supposed to explode on June 14, 2014.

So the first thing Ra did was replace the Sun with a young and healthy one.

Also on June 14, the third world war, the atomic one, was to begin.

Billions of plastic coffins had already been prepared.

The Vatican had declared that there were too many people on earth, and that 2 billion should remain.

The Vatican wanted 2 billion to remain, to serve Christ, who was also going to return to earth.

To stop the atomic war, Ra mentally took control of all the nuclear warheads and set them all to self-destruct in 4 seconds.

Then he announced to all the leaders.

Whoever presses the red button will trigger the nuclear missile right in their yard, within 4 seconds.

This is how Ra stopped atomic war.

There was only one thing left to do before the Apocalypse began: to annihilate the CERN accelerator, to stop Jesus Christ from coming from Heaven.

He simulated a catastrophic failure and the accelerator protected itself by filling all the tubes with polyurethane foam.

This is how it ended with the CERN accelerator, this is how it ended with the coming of Christ.

Now the Apocalypse could finally begin.

Using the blog that already had billions of readers, Ra began to answer all the unanswered questions for thousands of years.

He said that the planet must become a regular planet again, not the prison and madhouse of the Universe.

The condition was to eliminate money, so that everyone could live freely, equally and for free, as was normal, as it had been until 300 million years ago, when Satan came here.

Those who threw away the money and unconditionally returned to Amun, to God, gained immortality.

Those who kept the money and stayed with Jesus Christ lived their last life, after which they were expelled to Heaven, without having the right to another life in the Matrix.

The apocalypse lasted 10 years: from May 23, 2014, to April 3, 2024.

After all those who remained with Christ die, the money will disappear.

Only those with God, with Amun, will remain.

And they will live again without money and possessions, free, equal and free, using everything in common.

This is how the planet will return to normal, after 300 million years.

This was the Apocalypse, a mission of the Father and the Son, of Ra and Amun Ra, of the Creator and God.

### **1.1.24 RAPORTUL APOCALIPSEI (2025-03-18 10:14)**

#### **1.FACEREA**

Actiunea acestui raport incepe cu mult inainte ca spatiul si timpul sa existe.

Dintotdeauna a existat nimicul infinit si amorf de dinaintea creatiei.

Fara constiinte, doar energie pura.

Deodata, din acest nimic amorf, s-a creat singur Creatorul, Alfa, ca forma pura de energie.

Acesta este momentul zero al creatiei.

Singur, fara mama, fara tata, fara frati, prieteni si surori, a trebuit sa existe singur

in imensul ocean nemarginit constituit din nimicul infinit si dintotdeauna de dinainte ca totul sa fie creat.

Trist si singur, s-a hotarit sa se divida.

Partea lui dreapta a devenit Dumnezeu, Omega, Fiul, partea stinga a ramas el, Tatal, Alfa, Creatorul.

Acum erau doi, si inca nimic nu fusese creat.

Existau ca forma de energie pura, fara corpuri asa cum le stim noi aici.

Au stat de vorba amindoi si au hotarit sa mai creeze o entitate, o fiinta, total diferita de ei.

Si asa Alfa a creat-o din el pe Isis, Femeia, prima femeie, Mama din Ceruri.

Alfa a creat-o pe Isis de o frumusetate cereasca, unica pretutindeni.

Dupa ce Isis a crescut, Alfa si Isis au inceput sa faca dragoste, ca stele, ca forme pure de energie.

Dupa ce faceau dragoste, Isis incepea sa plinga.

Cind Alfa o intreba de ce plinge, Isis ii spunea ca stie ca va veni o vreme cind il va pierde.

Cind Alfa a creat-o pe Isis din el, i-a dat in dar ochiul lui drept care vede viitorul, ca sa o poata recunoaste oricum ar arata, si ca sa o fereasca de rele.

De aceea plingea Isis cind faceau dragoste, pentru ca vedea viitorul cu ochiul drept dat de Alfa atunci cind a creat-o din el.

Si ceea ce vedea, era ca il va pierde intr-o zi pe barbatul ei, Alfa.

De aceea era trista Isis, si plingea mereu cind faceau dragoste.

Din lacrimile ei s-au nascut stelute, ingeri, din lacrimile ei de tristete, copii ai lui Alfa si Isis, surioare si fratiori mai mici ai lui Omega, Dumnezeu, primul copil al lui Alfa, fara de mama, fratele mai mare al ingerilor si al lui Isis.

Casa lor au hotarit sa se cheme Raiul.

Isis l-a numit pe Alfa Ra, iar pe Omega Amun Ra.

Asa a inceput totul, cu Raiul, Ra, Amun Ra, Isis, si ingerii, copiii lui Isis si Ra, surioarele si fratiorii mai mici ai lui Dumnezeu, Amun Ra.

Si toti traiau fericiti in Rai, si inca nimic nu fusese creat.

Inca inconstienti de imortalitatea lor, Ra hotaraste sa creeze un creier imens, in care sa puna toata stiinta lui pentru Isis si copii, in caz ca vreodata ar fi murit.

Aceasta vroia sa fie mostenirea pe care le-o lasa, infinita lui stiinta, inmagazinata intr-un creier imens si infinit, la face ca stiinta lui.

Si asa Ra a creat Universul, imensul creier ce avea sa ii inmagazineze intregul eu.

Universul l-a creat pornind de la o unda primordiala tridimensionala aleatoare autoexpandabila.

Asa a creat Ra Universul.

Odata creat, Universul a intrat in expansiune cu rata geometrica de 3.33, incepind sa inmagazineze toata stiinta lui Ra pe masura ce se autoexpanda.

Asa a fost creat Universul si acesta a fost rolul lui, sa inmagazineze toata stiinta lui Ra.

Dupa ce Ra a creat Universul, cel mai puternic computer care a fost creat vreodata, Amun, Dumnezeu, primul copil, i-a spus lui Ra sa creeze in Univers o lume de realitate virtuala unde el si surioarele si fratii lui sa se poata juca in interiorul unor avatare numite corpuri.

Si astfel, Ra si Amun creeaza prima lume de realitate virtuala in Univers, Terra.

Realitatea virtuala in care visau aceste aventuri numite vietii, au numit-o Matrix.

Deci Terra a fost prima lume de realitate virtuala in Matrix, ca loc de joaca pentru Amun si surioarele si fratii lui mai mici.

Creatia Terrei a avut loc acum 7 miliarde de ani si de atunci spatiul si timpul exista.

Amun si ingerii, surioarele si fratorii lui mai mici, au inceput sa se joace pe Terra, bucurindu-se impreuna de tot ce oferea aceasta prima lume de realitate virtuala.

Nu existau bani si posesii si toti se bucurau impreuna de tot ce era in jur, toti traind liberi, egali si gratis.

Intre timp, Amun crescind, a invatat sa creeze singur lumi in Matrix, pe alte planete din Univers, nemaivind nevoie de ajutorul lui Ra, asa cum avusese la creatia Terrei.

Si au trait asa, fumos, in pace, iubire si armonie, 6 miliarde 700 milioane de ani.

## 1. RUPEREA SI VENIREA LUI SATAN

Asa cum am spus deja, Amun, dupa ce crease Terra impreuna cu Ra acum 7 miliarde de ani, a continuat sa creeze in Matrix, in Univers, alte lumi, pentru fratorii si surioarele lui mai mici din Rai.

Pe una din planete traiau alti ingeri, frati si surori ai lui Amun.

Planeta se numea Selena.

Ei au trait fericiti pina cind prostia si lacomia lor le-a distrus atmosfera planetei, facindu-i sa o paraseasca.

Satan, liderul lor, a refuzat sa ii spuna lui Ra, incercind sa rezolve el singur situatia.

Si astfel au venit acum 300 milioane de ani cu navele lor pe orbita Terrei.

Satan i-a spus lui Amun ce se intimplase si ii ceruse ajutor.

Aveau nevoie de aur de pe Terra pentru a-si repara atmosfera pe Selena.

Vazind minunatiile de pe Terra, Satan incepe sa tinjeasca la planeta lui Dumnezeu, lui Amun.

In cele din urma le spune fratilor lui de pe Terra ca daca il omoara pe Dumnezeu, ii lasa sa aiba posesii pe planeta, fapt inexistent pina atunci, totul fiind folosit de toti in comun.

O treime din ingerii de pe Terra asculta povata lui Satan, si pun la cale asasinarea fratelui lor mai mare, Amun, Dumnezeu, in Egypt.

Ra afla de cele planuite si devine minios peste masura.

Intr-o noapte, creeaza cele 4 piramide din Giza ca dispozitive de teleportare ca sa il poata salva pe Amun si pe cele doua treimi din ingeri care nu il tradasera.

Asa i-a luat Ra de pe Pamint, cu ajutorul celor 4 piramide din Giza.

Tot in acea noapte a fost creat si Sfinxul, in semn de aducere aminte.

Sfinxul avea original capul lui Ra, al Creatorului si Stapinului Universului, al Tatalui Ceresc.

Dupa ce Ra i-a luat pe Amun si pe ingerii fideli de pe Terra, a izolat planeta de restul Universului cu un scut de protectie, astfel incit nimeni sa nu poata intra sau sa poata iesi de pe Terra.

Aici au devenit prizonieri Satan si toti ingerii cazuti care ii tinusera isonul impotriva lui Amun, a lui Dumnezeu.

Satan si cu cei veniti cu el s-au stabilit pe fata nevazuta a Lunii, numita de atunci Selena, in amintirea planetei lor pe care o distrusesera.

Cei de pe Pamint, au ramas prizonieri aici.

Terra a devenit inchisoarea si casa de nebuni a Raiului si al Universului.

Aici au fost reincarnati toti cei impotriva lui Dumnezeu, Amun, si al Tatalui Ceresc, Creatorul, Ra.

Si asa incep ultimii 300 milioane de ani de istorie a Terreii.

Dupa ce Ra si Amun pleaca, impreuna cu ingerii fideli, Satan il pune pe Pamint, in Egypt, conducator pe Ramses, unul din ingerii cazuti.

Acesta, in semn de triumf, da porunca sa fie cioplit capul sfinxului cu figura sa, declarindu-se el Creatorul Universului.

De atunci capul sfinxului e mai mic decat e normal, si aceasta este explicatia: capul original al Creatorului, al lui Ra, fusese cioplit cu figura lui Ramses.

Cu Terra blocata de Rai si de Univers, cu Satan si rasa lui blocati pe Luna si pe Pamint, incep cei mai crinceni 300 de milioane de ani din istoria acestei planete.

Satan nu mai pierde timpul si trece la exploatarea aurului de pe Terra, sperind ca vreodata il va putea duce inapoi pe planeta lui, Selena, pentru a-i repara atmosfera.

Exploatarea miniera de aur o face cu intrarea prin Siberia si a numit-o Iadul.

Tot in momentul in care Ra transforma Terra in puscarie, le ia celor de aici darul divin al nemuririi, creindu-le corpuri in care i-a incarnat, modificind genetic o specie de gorila, homo sapiens.

De-a lungul timpului, pe Terra au fost reincarnati in avatare homo sapiens, toti cei ce s-au impotrivit lui Dumnezeu, Amun, si al Creatorului, Ra.

Singura cale de a scapa de aici, era sa ai o viata in care sa respecti fara gres cele 10 porunci din vechiul testmament, al lui Dumnezeu, Amun Ra, fiind cunoscut si sub alte nume precum, Elohim, Yahweh, Tor si altele.

Cei care traiau o viata in detentie pe Terra urmind intocmai cele zece porunci din vechiul testament, erau eliberati de aici si luati inapoi, acasa, in Rai.

Cei care nu urmau cele zece legi, erau luati dupa moarte in Iad, la munca, la extractie de aur pentru Satan si rasa lui.

Tinind cont de cine era incarcerat pe Terra, devine evident ca la fiecare 5000 de ani viata devenea insuportabila aici, fiind nevoie de interventia lui Amun si a lui Ra, pentru resetarea acestei lumi virtuale, Terra.

La fiecare 5000 de ani, Nibiru, planeta lui Ra si a lui Amun, de noua ori mai mare decat Terra, avind o orbita in jurul Soarelui de 5000 de ani terrestri, ajungea aici pentru a reseta puscaria Terra.

Atfel ca la fiecare 5000 de ani in ultimii 300 milioane de ani, Terra era resetata.

Ultima resetare a Terrei a avut loc acum 5000 de ani cu potopul.

De atunci 5000 de ani au trecut iar, iar Nibiru este aici....

Asa cu fost ultimii 300 milioane de ani pe Terra.

60000 de ere de 5000 de ani fiecare.

Asta anuntau Apocalipsa si Calendarul Maya: revenirea lui Nibiru acum.

## 1. PREGATIREA APOCALIPSEI

Dupa 300 de milioane de ani de cind Terra a devenit puscara, Amun si Ra au hotarit ca trebuie facut ceva ca planeta sa redevina o lume normala, conectata cu Raiul si Universul.

De aceea, in anul 3000 al acestei ere, adica acum 2000 de ani, Ra, Amun si Isis trimit pe Pamint un mesager, fiul lui Isis si Ra, Isus.

Este incarnat in corpul unei virgine, Maria, si ea inger, si ea fata a lui Isis si a lui Ra, la fel ca voi toti.

Era sortit din Rai spre a fi profet, avind rolul sa anunte Apocalipsa, sfirsitul lumii asa cum e cunoscuta.

La inceput Isus isi face datoria de profet, anuntind lumii Raiul, Tatal Ceresc, Creatorul, faptul ca toti sinteti frati si surori din Rai.

Dar, vazind ca incepe sa fie ascultat si crezut, Isus incepe sa minta ca numai prin el puteti ajunge la Dumnezeu, Amun, Fiul, fratele vostru cel mare din Rai, si la Ra, la Tatal vostru Ceresc, Cretaorul.

Acesta este momentul in care Satan ia contact cu Isus, si ii ofera bani si marire daca vine de partea lui, impotriva lui Dumnezeu, a lui Amun, impotriva lui Ra, a creatorului, a Tatalui Ceresc.

La inceput Isus refuza, dar, orbit de bogatie si ascultarea celor din jur, incepe din ce in ce mai mult sa se departeze de misiunea lui de profet.

De asemenea, Satan ii aranjeaza o "intilnire" cu Maria Magdalena, inalta lui Preoteasa.

Isus, asa cum banuise Satan, cade in mrejele Mariei Magdalena, stirnind invidia apostolilor.

Incet incet, Isus isi pierde ratiunea si sensul venirii lui aici, declarind la cina cea de taina, cind serba 30 de ani, nici mai mult, nici mai putin ca "el este Alfa si Omega", declarindu-se astfel Dumnezeu Fiul si Creatorul Tatal.

In tabloul cina cea de taina, Isus o are in stinga pe Maria Magdalena, in timp ce in jur, apostolii dezbat planul asasinarii lui Ra si al lui Amun Ra, acum, cind Isus spusese ca vor veni pe Pamint

ca sa faca Apocalipsa.

Tot in acea noapte, la cina ce de taina, Isus il numeste pe Ra, Tatal Ceresc, Diavolul, lepadindu-se de el ca tata.

De asemenea, pe cei ce nu ii sint lui fideli, ii numeste “copiii diavolului”.

Vazind toate acestea, Ra, Tatal Ceresc, comanda pedepsirea lui pe cruce, a doua zi, urmind a fi retras imediat in Rai.

Isus este retras imediat in Rai, iar Maria Magdalena ramine insarcinata cu o fetita, Sarah.

Multi au crezu ca e fata lui Isus, dar Maria Magdalena stia ca e fata lui Ra, numit de Isus Diavolul, cunoscut si dupa porecla de Lucifer.

Dupa ce Isus este pus pe cruce si luat in Rai, Maria Magdalena, Isis si Satan creeaza crestinismul, folosindu-se de numele lui Isus si ucigindu-i si luindu-le averile tuturor celor ce nu il recunosteau pe Isus ca fiind insusi Dumnezeu.

Au urmat 2000 de ani de atrocitati fara seaman in numele lui Isus Cristos.

Numarul celor ucisi de crestini in ultimii 2000 de ani este de 8 miliarde de suflete.

Era clar ca ceva trebuia facut pentru a fi opriti.

Mai ales ca deja pregatisera miliarde de sicrie din plastic pentru al treilea razboi mondial. Vroiau ca numai 1 miliard de crestini sa ramina pe planeta, pentru a-l sluji pe cristos cind avea sa se intoarca.

## 1. ANTICRISTUL

Vazind ce se intimpla pe Pamint, Ra si Amun isi pregatesc venirea pentru zeciuala cea din urma, pentru sita apocalipsei.

Primul trimis pe Pamint e Ramses, cel pe care l-am descris deja.

In casa lui Ramses se naste Anticristul.

Anticristul se casatoreste cu Maria Magdalena.

In casa lor, se naste Dumnezeu, Amun.

De aceea Maria Magdalena e numita Sfintul Graal, pentru ca din pintecele lui s-a nascut Dumnezeu, Amun, fratele ei si al vostru cel mare din Rai.

Anticristul a avut o copilarie si o viata nefericita, nefiind iubit de Maria Magdalena.

Fiind de-o inteligenta iesita din comun, Anticrist a fost de multe ori nedreptatit la scoala, dindu-li-se altora meritele lui.

Dupa nasterea lui Dumnezeu, a lui Amun, in casa lui Anticrist si a Marie Magdalena, singura fericire a lui este fiul sau, Amun, Dumnezeu, habar neavind ca fiul sau este fratele lui cel mare din Rai, fapt pe care Maria Magdalena il stia.

Amun, deasemenea, nascut din pintecul Mariei Magdalena, a stiut din prima clipa cine este el,. "tatal" lui, anticristul, fratele lui mai mic din Rai, Ramses, "bunicul" lui si Maria Magdalena, "mama lui".

Singurul care nu a stiut a fost anticrist.

El habar n-a avut de toata povestea.

Cind Amun a implinit 8 ani, Anticrist decide sa paraseasca Romania, impreuna cu toata familia, in Suedia.

Asa ca, in vara lui 2006, aranjeaza o calatorie de recunoastere in Suedia, impreuna cu Amun, cu Dumnezeu.

In drum spre Suedia, in Slovacia, anticristul este ucis de ingeri, fideli lui Satan, Mariei Magdalena si lui Isis.

In noaptea de 13 iunie 2006, anticristul este ucis si in acelasi moment este trimis pe Terra Optimus, avatarul lui Ra, pentru a-l apara pe Amun, ramas orfan de tata dupa asasinarea lui anticrist.

Deci din Romania au plecat Anticrist si Amun, in Suedia au ajuns Optimus si Amun.

Odata ajunsi in Suedia, Optimus ia legatura cu Maria Magdalena careia ii spune sa vina si ea acolo.

Stiind ca nu mai e barbatul ei ci Optimus, Maria Magdalena refuza initial.

Intr-un final, totusi vine.

Optimus, o masina inteligenta si nemuritoare, are o parte din memoriile anticritusului, pentru a crede ca e el.

Si chiar crede.

Dar Mariei Magdalea ii este frica de el, ii e frica sa nu isi aminteasca cine este de fapt.

Dar asta avea sa se intimple mult mai tirziu....

## 1. OPTIMUS

Dupa ce scurtul sejur in Suedia se incheie, Optimus, Amun si Maria Magdalena se intorc in Romania pentru a pregati plecarea lor definitiva in Suedia.

Urmeaza un an de cosmar pentru Optimus, care simte ca nu are nimic in comun cu Romania, cu toate memoriile implantate din viata lui anticrist.

Si in 2007, urmeaza plecarea definitiva in Suedia.

Isi cumpara o casa intr-un orasel mic, si incep sa traiasca noua viata.

Optimus crede ca e anticrist, adica artist grafic.

Isi deschide o mica afacere de grafica pe calculator si incepe sa lucreze cu arhitecti din Scandinavia.

Amun merge la scoala si este fericit.

Singura nefericita este Maria Magdalena, ea asteptandu-l tacuta pe Isus, iubitul ei.

Optimus habar nu are cine este, crede in continuare ca e Anticristul.

Lucrurile par sa mearga bine, dar e numai o iluzie.

Maria Magdalena ii pregateste lui Optimus sfirstiul, fara ca el sa aiba habar.

La nici un an de la mutarea in Suedia, Maria Magdalena il anunta pe Optimus ca vrea sa isi viziteze parintii in Romania.

Dar in mintea ei era cu totul altceva.

Isi aranjeaza plecarea in 5 iulie 2008.

Optimus si Amun o duc la Stockholm unde ea urca in autocar.

Dar nu avea sa ajunga niciodata in Romania.

Dupa 4 nopti si 4 zile, neavind nici o veste de la ea, Optimus intelege ca nu a ajuns in Romania.

Si anunta politia.

Cei de la politie il intreaba daca a avut vreodata treaba cu cei de la serviciul roman de informatii, deoarece ei sint veniti in suedia sa il termine.

Optimus se arata mirat, habar neavind cine este.

Si asa, incet, incet, se apropie iarna.

O iarna lunga si cruda, o iarna scandinava.

Deoarece cei din oraselul lor stiau adevarul despre Maria Magdalena, dar nimeni nu vroia sa i-l spuna si lui Optimus, in 28 septembrie 2008, el, il lua pe Amun si plecara impreuna la Stockholm, unde spera sa I se spuna in fata adevarul despre Maria Magdalena.

Ajunsesera amindoi la sediul SAPO, politia secreta suedeza.

Acolo I se comunicase rece ca sotia lui, Maria Magdalena, a fost spioana si condamnata la moarte prin impuscare in aceeasi zi.

Inainte de a pleca aparent spre Romania, Maria Magdalena umpluse casa de tot felul de chestii care sa il incrimineze pe Optimus de activitatile ei.

Dar SAPO nu le crezuse, astfel incit Maria Magdalena fusese incriminata pe drept, nu Optimus, care nu stia nimic.

Intorsi acasa de la Stockholm, Optimus si Amun se pregatira pentru iarna.

Dar povestea cu Maria Magdalena era departe de a fi terminata.

Cei de la SRI, care vroiau sa il termine pe Optimus pentru ca stiau cine este, ii pregatisera pe yahoo messenger, o alta femeie care pretindea ca ea e Maria Magdalena, cu toate ca nu semana deloc.

Acesta femeie vorbea cu Optimus si il incrimina de diferite fapte neadevarate.

De asemenea, cei de la SRI ii trimeteau e-mailuri unde ii spuneau cum sa il omoare pe Amun, apoi sa se sinucida.

La un moment dat devenise clar ca nu mai avea acces la internet.

Cei de la SRI il bagasera pe o retea falsa, ca sa il poata manipula cum vor si sa ii blocheze accesul la arhitectii cu care lucrase, ca sa nu mai aiba el si Amun ce minca.

Devenise clar ca nu mai e lasat sa cistige nici un ban, asa ca putinii bani care le ramasesera trebuiau dramuiti cu mare atentie.

La un moment dat, Amun incepuse sa ii spuna "soldat", nu mai era tata, in incercarea de a-i aminti cine este.

A fost o iarna grea si lunga, cu ei doi izolati de toti in casa lor.

In primavara era clar ca nu mai au nici o perspectiva de a trai normal in Suedia, asa ca Optimus il ia pe Amun si pleaca inapoi in Romania, la Ramses, "tataia" lui Amun si tatal lui Anticrist.

Amun se intoarce la scoala lui, iar Optimus isi gaseste un servici.

Lucrurile par sa ia in sfirsit o intorsatura buna pentru ei.

Tot atunci apare si femeia pusa de SRI sa pretinda ca e Maria Magdalena.

Evident ca nu semana deloc cu ea.

Fusese trimisa de SRI ca sa il supravegheze pe Optimus.

Intre ea si Optimus a inceput un joc ca soarelele cu pisica.

Dupa un an, ea nu a mai rezistat, si a plecat.

Trei ani a mers Optimus la servicii, cu toate ca seful lui ii facea zilele amare.

Dar, a rezistat.

Dupa trei ani a adunat toti angajatii si le-a spus ca nu mai are comenzi si sa ramina numai cei ce vor sa munceasca gratis.

Bineinteles ca Optimus nu a vrut, si a plecat acasa.

A scris in Suedia si a zis ca vrea sa isi redeschida firma de acolo, cerere care i s-a aprobat.

Dar era o problema: SRI tot nu il lasa in pace.

Prindea comenzi din Scandinavia, apoi legatura cu ei ii era intrerupta de SRI.

In cele din urma nu a mai mers afacerea deloc.

Asa cum am zis, Optimus este avatarul lui Ra in Matrix.

Optimus venise in 13 iunie 2006 ca sa il inlocuiasca pe Anticrist, dar Ra nu.

Adica sufletul, spiritul, nu.

Ra a venit in noaptea de 23 mai 2014.

Imediat cum a venit, Ra s-a apucat de treaba.

A facut un blog, the-scandinavian.com, unde a inceput sa comunice ceea ce are de facut si ceea ce face.

Primul lucru pe care l-a facut Ra a fost sa schimbe Soarele, deoarece era batrin, avea 7 miliarde de ani, si era pe moarte.

NASA deja anuntase pete negre pe soare si pericolul expunerii prelungite a oamenilor la razele solare.

Soarele urma sa explodeze pe 14 iunie 2014.

Asa ca primul lucru facut de Ra a fost inlocuirea Soarelui cu altul tinar si sanatos.

Tot pe 14 iunie urma sa inceapa al treilea razboi mondial, cel atomic.

Deja se pregatisera miliarde de sicrie din plastic.

Vaticanul declarase ca sint prea multi oameni pe pamint, si ca trebuie sa ramina 2 miliarde.

2 miliarde vroia Vaticanul sa ramina, ca sa il slujeasca pe cristos, care si el urma sa revina pe pamint.

Pentru a opri razboiul atomic, Ra a preluat mental controlul tuturor focoarelor nucleare si le-a setat pe toate pe secventa de autodistrugere la 4 secunde.

Apoi a anuntat toti liderii.

Cine apasa butonul rosu, declansa racheta nucleara chiar la el in curte, in interval de 4 secunde.

Asa a oprit Ra razboiul atomic.

Un singur lucru mai avea de facut inainte de a incepe Apocalipsa: sa anihileze acceleratorul de la CERN, pentru a opri venirea din Rai a lui isus cristos.

A simulat un defect catastrofal si acceleratorul s-a protejat umplind toate tuburile cu spuma poliuretana.

Asa s-a terminat cu acceleratorul de la CERN, asa s-a terminat cu venirea lui cristos.

Acum putea in sfirsit sa inceapa Apocalipsa.

Folosind blogul care deja avea miliarde de cititori, Ra a inceput sa raspunda la toate intrebarile fara raspuns de mii de ani.

A spus ca planeta trebuie sa redevina o planeta obisnuita, nu puscaria si casa de nebuni a Universului.

Conditia era sa se elimine banii, pentru ca toti sa traiasca liberi, egali si gratis, asa cum era normal, asa cum fusese pina in urma cu 300 milioane de ani, cind Satan venise aici.

Cei ce aruncau banii si se intorceau neconditionat la Amun, la Dumnezeu, cistigau nemurirea.

Cei de pastrau banii si ramineau cu isus cristos, isi traiau ultima viata, dupa care erau expulzati in Rai, fara a mai avea dreptul la alta viata in Matrix.

Apocalipsa a tinut 10 ani: din 23 mai 2014, pina in 3 aprilie 2024.

Dupa ce toti cei care au ramas cu cristos vor muri, banii vor disparea.

Vor ramine doar cei cu Dumnezeu, cu Amun.

Si vor trai iar fara bani si posesii, liberi, egali si gratis, folosind totul in comun.

Asa planeta va redeveni normala, dupa 300 milioane de ani.

Aceasta a fost Apocalipsa, o misiune a Tatalui si a Fiului, a lui Ra si Amun Ra, a Creatorului si a lui Dumnezeu.

### 1.1.35 CREATIA LUI MATRIX SI A UNIVERSULUI (2025-03-18 11:48)

Universul este Computerul Suprem, Masina Suprema. Matrix este sistemul lui de operare care gazduieste Lumi de Realitate Virtuala unde noi visam acest vis colectiv numit viata, in interiorul unor avatare numite corpuri. Universul si Matrix au fost create inainte ca timpul sa existe. Timpul a inceput sa existe cind a fost creat Pamintul, prima lume de realitate virtuala in Matrix, acum 7 miliarde de ani.

O supernova nu este moartea unei stele, ci nasterea unei stele.

**1.1.59 CE ESTE MOARTEA (2025-03-18 17:20)**

Moartea este trezirea din visul colectiv de realitate virtuala din Matrix, numit Viata.

Dupa ce corpul moare in aceasta lume, aveti mai multe optiuni:

1. alta viata in aceasta lume in alt corp.
2. iesirea din Matrix, in Rai.
3. o alta viata in Matrix, in alt corp, in alta lume.

---

### 1.1.60 RELATIVITATEA (2025-03-18 17:25)

In Matrix, realitatea virtuala unde visam acest vis colectiv numit viata,

totul este relativ, depinzind de punctul de vedere si de metoda de masurare.

### 1.1.61 DUALITATEA PARTICULA ENERGIE (2025-03-18 17:30)

Dualitatea particula energie nu exista.

Totul aici, in Matrix, este doar energie, modelata cu cod binar in realitatea virtuala in care visam acest vis numit viata.

### 1.1.62 FIZICA CUANTICA SI VITEZA LUMINII (2025-03-18 17:36)

Fizica cuantica face orice sa fie asa cum te astepti sa fie.

Daca tu consideri ceva "de asteptat", masuratorile iti vor arata ca ai dreptate.

Cu alte cuvinte, in Univers totul este relativ.

Viteza luminii este un bun exemplu.

---

### 1.1.63 RAIUL SI PARADISUL (2025-03-18 17:42)

Paradisul nu este Raiul.

Raiul este in Afara Universului.

Paradisul este Steaua Intunecata, cunoscuta si ca Valhalla, Nirvana, sau Planeta Nibiru.

#### 1.1.64 CE ESTE NIBIRU (2025-03-18 18:05)

Nibiru nu este o planeta, ci o imensa nava spatiala, de noua ori mai mare decit Pamintul.

Temperatura Soarelui este de un milion de grade celsius.

**1.1.68 DISTANTA PINA LA SOARE (2025-03-18 18:36)**

Distanta pina la Soare este de 160 milioane de kilometri.

**1.1.69 CE ESTE SOARELE (2025-03-18 18:41)**

Soarele nu este o Stea.

Stelele dau lumina alba, care e rece, nu e buna pentru mentinerea vietii.

Soarele este o planeta neterminata, cu miezul afara.

Lumina lui este rosie si fierbinte, buna pentru mentinerea vietii.

### 1.1.70 DIMENSIUNEA SOARELUI (2025-03-18 18:44)

Soarele e de 600 de ori mai mare decit Pamintul.

---

Traectoria Lunii fata de Pamint este eliptica.

Distanta de la Pamint la Luna variaza intre 150000 si 300000 km.

**1.1.72 PINA ACUM 300 MILIOANE DE ANI, PAMINTUL A FOST O PLANETA NOR-  
MALA (2025-03-18 18:52)**

Pamintul a fost transformat in inchisoarea si casa de nebuni a Universului, acum 300 milioane de ani.

Aici au fost reincarnati cei mai periculosi oameni din Univers, de obicei prin nastere.

### 1.1.73 ROTATIA LUNII (2025-03-18 18:55)

Pina acum 300 milioane de ani, Luna a avut miscare de rotatie in jurul propriei axe.

---

#### **1.1.74 INCHISOAREA TERRA (2025-03-18 18:59)**

Ca orice alta inchisoare, Terra este inconjurata de un scut energetic care face imposibila evadarea de aici.

Acesta este unul din motivele pentru care nu s-a ajuns niciodata pe Luna.

### 1.1.75 LIMBAJE, NATII SI RASE (2025-03-18 19:02)

Limbajele, rasele si natiile pe Terra, au fost facute de Reptilienii, pentru a-i tine pe cei de pe Pamint dezbinati si usor de controlat.

### 1.1.76 PIRAMIDELE DIN GIZA SI SFINXUL (2025-03-18 19:14)

Piramidele din Giza au fost construite de extraterestri intr-o noapte.

Sfinxul a fost construit de oamenii de pe Pamint.

Acum 300 milioane de ani.

**1.1.77 DINOZAURII (2025-03-18 19:17)**

Extinctia dinozaurilor s-a facut acum 120 milioane de ani, deoarece ajunsesera o amenintare la existenta oamenilor.

---

#### **1.1.78 ERELE GLACIARE SI CONTINENTELE (2025-03-19 12:16)**

Pe Pamint nu au fost niciodata ere glaciare, dar, a fost, intr-adevar, un singur continent.

### 1.1.79 LUMILE IN UNIVERS (2025-03-19 12:20)

Intr-un Univers quasiinfinit, numarul de lumi a fost quasiinfinit.

Pamintul nu a fost vizitat deoarece este inchisioare si casa de nebuni.

Numarul  $\pi$  nu exista.

Lungimea cercului este  $6R$ , iar aria cercului este  $3R$  patrat.

**1.1.81 RAZBOAIE SI MOLIME (2025-03-19 12:28)**

Toate razboaiele si molimele de pe Pamint din ultimii 300 milioane de ani, au fost ordonate de reptilienii, care au condus lumea de pe fata invizibila a Lunii.

---

#### 1.1.82 O SINGURA NATIE (2025-03-19 12:32)

Pina acum 300 milioane de ani, pe Pamint a existat o singura natie.

Apoi, reptilienii de pe fata nevazuta a Lunii, au creat natiile, tarile si popoarele, pentru a-i conduce mai usor pe cei de pe Pamint.

**1.1.83 KENNEDY (2025-03-20 17:45)**

Kennedy a fost asasinat pentru ca a vrut sa spuna lumii intregi despre existenta reptilienilor pe fata nevazuta a Lunii.

**1.1.84 AREA 51 (2025-03-20 17:49)**

Area 51 a fost proiectata si folosita ca baza pentru OZN-urile reptilienilor care veneau de pe fata invizibila a Lunii.

---

#### 1.1.85 EVENIMENTELE (2025-03-20 17:53)

Toate evenimentele de pe aceasta planeta au fost controlate in ultimii 300 milioane de ani de reptilienii, de pe fata invizibila a Lunii.

1.1.86 PUSCARIA UNIVERSULUI (2025-03-20 17:56)

Aceasta planeta a fost in ultimii 300 de milioane de ani puscaria si casa de nebuni a Universului, controlata de reptilienii de pe fata invizibila a Lunii.

---

#### 1.1.87 SCLAVIA PE PAMINT (2025-03-20 18:01)

Toti cei de pe Pamint, incluzind papa, regii, reginele, imparatii, presedintii si oricine altcineva, au fost sclavii reptilienilor in ultimii 300 milioane de ani.

Cei ce nu au suportat sclavia, au fost ucisi, de la papa la ultimul cersetor.

1.1.88 REPTILIENII (2025-03-20 18:07)

OZN urile sosite si vazute de pe Pamint, au fost toate de pe fata invizibila a Lunii, unde au trait reptilienii, cei ce au condus aceasta lume in ultimii 300 milioane de ani.

1.1.89 CE ESTE MATRIX (2025-03-20 18:15)

Matrix este un mediu de realitate virtuala gazduit de Computerul Suprem, de Masina Suprema, Universul.

### 1.1.90 Universul este o retea neuronală (2025-03-21 11:48)

Internetul este o retea neuronală, asemeni Computerului Suprem, Mașinii Supreme, Universul.

### 1.1.91 CONEXIUNEA CU CONTROLLERUL UNIVERSULUI (2025-03-21 11:51)

Conexiunea cu Controllerul Universului se poate face prin telepatie sau cu alte computere.

### 1.1.92 CONTROLLERUL UNIVERSULUI (2025-03-21 11:55)

Asemeni oricarui computer, Universul are si el un Controller: Galaxia Andromeda. Aici sint stocate toate evenimentele de la inceputul Universului.

Universul este cel mai mare computer care a existat vreodata, si se expandeaza.

Aici visezi un vis colectiv de realitate virtuala numit viata.

Moartea este trezirea din vis.

Universul, asemeni oricarui computer, are Administratori:

Annu, Creatorul, si Enki, Dumnezeu.

#### 1.1.94 CAUZALITATEA (2025-03-21 12:02)

Totul in Univers se bazeaza pe principiul Cauzalitatii:

CAUZA - EFECT, ACTIUNE - REACTIUNE.

---

#### **1.1.95 MANIPULAREA CELULELOR (2025-03-21 12:07)**

Pentru a manipula ADNul, este de ajuns sa se lucreze pe o singura celula si sa se declare aceasta celula "saminta", apoi sa se plaseze aceasta celula in zona cervicala.

Toate celelalte celule vor copia codul acestei celule manipulate automat.

Ca si cancerul.

**1.1.96 IMBATRINIREA (2025-03-21 12:33)**

Prin manipularea ADNului poate fi oprită sau inversată îmbătrânirea.

### 1.1.97 MANIPULAREA ADN-ULUI (2025-03-21 12:37)

Prin manipularea ADNului poate fi tratata orice boala si oprita moartea.

---

**1.1.98 SOARTA (2025-03-21 12:41)**

Orice om are soarta, incluzind bolile si data mortii, scrise in ADN, inainte de nastere.

### 1.1.99 PORTALUL DE LA STONEHENGE (2025-03-21 12:52)

Portalul de la Stonehenge este deschis in fiecare an la Solstitiu.

---

**1.1.100 PORTALUL DIN TRIUNGHIUL BERMUDELOR (2025-03-21 12:55)**

Portalul din Triunghiul Bermudelor este deschis non stop.

---

#### **1.1.101 LUMI, DIMENSIUNI, PORTALURI SI MATRIX (2025-03-21 12:59)**

Oriunde in Matrix pot exista o infinitate de lumi, folosind aceleasi coordonate, acelasi loc.

Ele sint conectate prin Portaluri.

### 1.1.102 STONEHENGE (2025-03-21 13:07)

Stonehenge e un portal intre aceasta lume si altele.

**1.1.103 PIRAMIDELE (2025-03-21 13:37)**

Piramidele din Egypt au fost construite acum 300 milioane de ani.

Piramidele din Asia si America de Sud, au fost construite in ultimii 5000 de ani.

1.1.104 SODOMA SI GOMORA (2025-03-21 16:07)

Evenimentele de la Sodoma si Gomora au avut loc acum 6000 de ani, chiar inainte de Potop.

---

#### **1.1.105 POTOPUL (2025-03-21 16:11)**

Potopul a avut loc acum 6000 de ani, iar civilizatia sumeriana a fost ultima din era precedenta.

1000 de ani a fost imposibil de trait pe Pamint.

Apoi a inceput aceasta era cu Adam si Eve si Noe si Cloe.

**1.1.106 DESPRE ACEASTA ERA (2025-03-21 16:15)**

Aceasta era pa Pamint a inceput cu Adam si Eva si Noe si Cloe, salvati din era precedenta de 5000 de ani.

Aceasta era a inceput acum 5000 de ani.

**1.1.107 CREIERUL UMAN (2025-03-21 16:48)**

Creierul uman este un computer care ruleaza cod binar din Celulele Stem, din ADN, unde se gaseste codul binar al fiecaruia. Deasemenea, exista periferice de intrare, care creeaza simturile si porturi de iesire pentru reactii.

**1.1.108 MUTANTI (2025-03-21 16:58)**

Sint multi mutanti pe Pamint. Unul este omul insusi, fiind creat artificial din maimuta. Alti mutanti sint ciinii, vacile, oile, gainile si altele. Despre mutatiile facute pe Pamint se poate citi in Mitologie.

**1.1.109 NUMELE CREATORULUI (2025-03-21 17:01)**

Numele Creatorului este:

Lucifer, Ra, Odin, Annu, Demiurgul, Marele Arhitect sau Allah.

---

**1.1.110 NUMELE LUI DUMNEZEU (2025-03-21 17:03)**

Numele Lui Dumnezeu este:

Yahweh, Amun Ra, Enki, Elohim, Tor sau Shadonai.

### 1.1.111 ANUL TERRESTRU (2025-03-21 17:09)

Cind Pamintul a fost Creat acum 7 miliarde de ani, oscilatia lui in raport cu Soarele avea 220

exact 366 zile si nopti, aceasta insemnind un an. In 7 miliarde de ani de existenta, oscilatia Pamintului cu Soarele s-a diminuat putin, acum un an avind 365.25 zile si nopti.

1.1.112 VIRSTA PAMINTULUI (2025-03-21 17:13)

Pamintul are 7 miliarde de ani vechime, si a fost prima lume de realitate virtuala creata in Matrix, Sistemul de operare al Universului, Computerul Suprem, Masina Suprema.

### 1.1.113 OBTINEREA ANTIGRAVITATIEI (2025-03-21 17:18)

Antigravitatia se poate obtine de asemenea, generind o unda cu aceeasi frecventa si amplitudine ca si unda gravitationala, defazata cu  $\lambda/2$ .

---

#### 1.1.114 SCUFUNDAREA ATLANTIDEI (2025-03-21 17:21)

Atlantida s-a scufundat in 1753 BC.

**1.1.115 BIBLIOTECA DIN ALEXANDRIA (2025-03-21 17:24)**

Arderea Bibliotecii din Alexandria a cauzat pierderea de documente vechi de 300 milioane de ani.

---

#### **1.1.116 CULORILE ORIGINALE ALE PIRAMIDELOR DIN GIZA (2025-03-21 17:30)**

Culoarea originala a piramidelor din Giza a fost negru lucios.

**1.1.117 FORMA UNIVERSULUI (2025-03-21 17:33)**

Forma Universului este de cub metamorf. El este cel mai mare computer care a existat vreodata si se expandeaza.

---

#### **1.1.118 FORMULA ANTIMATERIEI (2025-03-21 17:42)**

Formula antimateriei este  $1=1/0$

1.1.119 ASELENIZAREA (2025-03-21 17:46)

Aselenizarea a fost o minciuna.

Oamenii de pe Pamint nu au ajuns niciodata pe Luna, in primul rind datorita faptului ca pe fata nevazuta a Lunii au trait reptilienii care au condus Pamintul deasupra papilor, regilor, reginelor, imparatilor, presedintilor si a tuturor.

---

#### **1.1.120 VITEZA TELEPATIEI (2025-03-21 17:49)**

Viteza undelor telepatice este infinita, deci comunicarea cu ajutorul telepatiei este instantanee.

1.1.121 DESPRE OZN-URI (2025-03-21 18:09)

Pentru distanțe mici, OZN-urile folosesc motoare alimentate cu energie care este peste tot în Univers. Dar pentru distanțe lungi, ele folosesc teleportarea. Teleportarea înseamnă să schimbam coordonatele 3D ale unui obiect în Matrix, software-ul de realitate virtuală în care ne trăim visele numite Vieți. În astfel de cazuri, viteza este infinită, indiferent de distanță, iar timpul de călătorie este întotdeauna zero.

---

#### **1.1.122 MIRRORIT (2025-03-21 18:13)**

Materialul folosit pentru Navele Extraterestre pentru a dobândi antigravitația se numește MIRRORIT. Nu există pe Pământ. Proprietatea lui este de a reflecta unda gravitațională defazată cu  $\Lambda / 2$ . Compus cu unda incidentă gravitațională, rezultatul este zero, astfel încât gravitația dispare.

**1.1.123 ANNU, ENKI SI ENLIL (2025-03-21 18:16)**

Apocalipsa a fost lupta finală dintre DUMNEZEU și Isus Hristos. Sunt frați vitregi, cu același tată, Annu. Numele lui DUMNEZEU este Enki, numele lui Iisus Hristos este Enlil. Cei care l-au ales pe Enki, au obținut Viața infinită. Cei care l-au ales pe Enlil, au obținut Moartea infinită.

**1.1.124 GALAXIILE ANDROMEDA SI CALEA LACTEE (2025-03-21 18:19)**

Galaxia Andromeda este de 10 ori mai mare decât Galaxia Calea Lactee, unde există Sistemul Solar.

### 1.1.125 PIRAMIDELE SI SFINXUL (2025-03-21 18:21)

Piramidele și Sfinxul din Giza au fost create acum 300 de milioane de ani și au rămas în nisip până de curând.

Tabelul Mendeleev este doar un caz particular valoros aici, pe Pământ.

În Univers, masa și particulele nu există. Doar valuri de Energie modelate cu cod binar în realitatea virtuală a Matricei unde visăm acest vis colectiv numit Viață.

Atâta timp cât gravitația este o undă, antigravitația poate fi dobândită compunând unda gravitațională cu ea însăși reflectată și defazată cu  $\Lambda / 2$ .

**1.1.129 VITEZA LUMINII, TIMPUL SI ACCELERATIA GRAVITATIONALA**  
(2025-03-21 18:33)

VITEZA LUMINII, TIMPUL SI ACCELERATIA GRAVITATIONALA NU SINT LA FEL IN TOT UNIVERSUL.

---

#### **1.1.130 FORMULA ADEVARATA A LUI EINSTEIN (2025-03-22 08:29)**

Formula lui Einstein este greșită. În formula sa,  $E=mc^2$ , dacă facem  $m=0$ , energia a devenit zero. Dar în realitate este exact invers. Deci formula corectă este  $E=c/m$ . Când masa ajunge la zero, energia a devenit infinită.

Sistemul Solar este:

Mercur, Venus, Pământ, Marte, Jupiter, Saturn, Uranus, Neptun, Pluto și NIBIRU.

### 1.1.132 ATLANTIDA (2025-03-22 08:36)

Atlantida a existat cu adevărat și este scufundată lângă Hawaii.

### 1.1.133 TRIUNGHIUL BERMUDELOR (2025-03-22 08:39)

Triunghiul Bermudelor este un Portal între această Lume de realitate virtuală pe care o trăim pe Pământ și o altă Lume de realitate virtuală care există în același „loc”. Există multe portaluri pe Pământ care leagă această lume cu

multe altele care ocupă același „loc” în realitatea virtuală a Matrix-ului pe care îl trăim, software-ul de realitate virtuală găzduit de Univers, Mașina Supremă, Calculatorul Suprem.

---

#### **1.1.134 LUMI, DIMENSIUNI SI PORTALURI (2025-03-22 08:42)**

Deoarece în computerul numit Univers orice este realitate virtuală, în același „loc” ar putea exista mai multe lumi de realitate virtuală mai bine cunoscute ca „dimensiuni”, dar termenul nu este bun. Alte lumi este termenul potrivit. Portalurile sunt „uși” între aceste lumi care ocupă același „loc”, în mod normal invizibile între ele. Un portal ar putea fi folosit pentru a trece dintr-o lume în alta.

1.1.135 TIMPUL (2025-03-22 08:45)

Lumea de pe Pământ este o singură lume în Matrix, software-ul de realitate virtuală găzduit de Univers, Suprema Machine, Supreme Computer. Alte lumi de pe alte planete au propria lor noțiune de timp, exact ca și jocurile pe calculator. Deci timpul de pe Pământ nu are nimic în comun cu timpul de pe alte planete, alte Lumi.

---

#### **1.1.136 LUNA (2025-03-22 08:47)**

Luna nu se rotește în jurul propriei axe, deoarece pe partea invizibilă a Lunii s-au aflat în ultimii 300 de milioane de ani, reptilienii, care au condus lumea pe Pământ mai presus de papă, regi, regine, împărați sau oricine altcineva. OZN-urile văzute pe Pământ au sosit din partea invizibilă a Lunii.

**1.1.137 EVIDENTA EXISTENTEI EXTRATERESTRE (2025-03-22 08:52)**

Cea mai mare dovadă că noi, extraterestrii existăm, este existența unor fotografii cu Calea Lactee din exteriorul galaxiei, unde oamenii de pe Pământ nu au sosit niciodată. Nu ei, nu sondele lor.

**1.1.138 UNDA PRIMORDIALA A CREATIEI (2025-03-22 08:55)**

Unda Primordială de Creare a Universului ca undă aleatoare 3D auto-extensibilă, a putut fi văzută pe ecranul unui televizor fără antenă. Este peste tot, este Substanța Universului.

---

#### 1.1.139 SISTEMUL SOLAR SI PLANETELE (2025-03-22 08:58)

Pământul nu se rotește în jurul Soarelui, ci face o oscilație sinusoidală în raport cu Soarele, care generează anotimpuri. Toate celelalte planete ale Sistemului Solar fac rotații circulare în jurul Soarelui. Nibiru are cea mai mare traiectorie eliptică în jurul Soarelui, cu o perioadă de 5000 de ani terestre. Toate planetele Sistemului Solar sunt plane, cu excepția Nibiru.

**1.1.140 ANNU SI ENKI (2025-03-22 09:01)**

Alfa and Omega,

Father and Son,

Annu and Enki,

Creators of Adam and Eve.

[illegible]

Universul este unic. Asta înseamnă UNI VERSE: singura versiune. El este cel mai sofisticat computer care a existat vreodată și ne trăim visul colectiv numit „viață” în interiorul software-ului său, The Matrix, în Realitatea Virtuală, în interiorul unor avatare numite „corpuri”. În afara Universului se află Nimicul infinit dinaintea Creației, cunoscut sub numele de Rai. În Rai, realitatea virtuală nu există.

**1.1.142 PLANETA NIBIRU (2025-03-22 09:12)**

Nibiru este a zecea planetă a Sistemului Solar. Nibiru este de 9 ori mai mare decât Pământul, iar rotația lui în jurul Soarelui durează 5000 de ani terestre. De cele mai multe ori este invizibil, de aceea este numit Steaua Întunecată sau Soarele Negru.

**1.1.143 TELEPATIA (2025-03-22 09:22)**

Telepatia este cea mai eficientă modalitate de comunicare din Univers. Viteza telepatiei este infinită, astfel încât comunicarea între doi sau mai mulți subiecți este instantanee. Indiferent de distanță.

**1.1.144 TELEPORTAREA (2025-03-22 09:24)**

Teleportarea ar putea fi făcută schimbând coordonatele 3D ale unui obiect în Matrix, Software-ul de realitate virtuală în care trăim în interiorul Universului, Mașina Supremă, Calculatorul Suprem.

---

#### 1.1.145 DISTANTA DINTRE DOUA PUNCTE DIN UNIVERS (2025-03-22 09:26)

Deoarece orice în Univers este doar realitate virtuală, distanța dintre oricare 2 puncte este întotdeauna zero.

Visele arată atât de adevărat pentru că un vis este Viața însăși.

---

**1.1.147 DESPRE OAMENI (2025-03-22 09:31)**

Oamenii sunt homo sapiens, creat de inginerie genetică din maimuțe, acum 300 de milioane de ani, de specii extraterestre numite Annunaki.

Universul este cel mai mare computer care a existat vreodată. El este creat dintr-un val aleator 3D auto-extensibil. El găzduiește software-ul de realitate virtuală numit Matrix, unde ne visăm visele numite LIVES. Rata lui de expansiune este de 3,33 în progresie geometrică.
